

Breaking Generational Bargains/Barterers

(Updated June 4, 2016)

Most Bible scholars agree that the Whore of Babylon, described in Revelation 17, represents the false religious system of the world, which I have come to call “Satan’s Counterfeit Religious System.” She is described as sitting on a beast. In Revelation 18 her destruction is described along with the great mourning of all of her followers who had conducted “business” with her. Using the metaphor of commerce, the commodities bartered or sold within this system are listed, including in verse 18:13 “the bodies and souls of men.” Many take this to mean slavery, but if the system itself is a spiritual system, then I believe the items of commerce that are listed must be interpreted in a spiritual, rather than physical, context as well.

I believe that when a person has a generational heritage of significant involvement in Satan’s Counterfeit Religious System, we need to be alert to the possibility of the bartering of souls (and perhaps bodies) of future generations having occurred. I believe that this would entail giving Lucifer, or Satan, the right to take part of the persons of one’s future generations in exchange for receiving power or some other concession from him.

When Satan gains the right to the soul of persons in future generations, he seems to be able to claim either a dissociated identity or part of the person’s life force.¹ A type of spiritual gambling may take place to determine to which part of Lucifer’s kingdom any bargained identity will be allocated. This is usually to either his counterfeit realm of light above the earth or to his counterfeit realm of darkness beneath the earth.² A bonded triad seems to form between the bartered part of the person, the ancestral spirit who made the bargain, and a cosmic being (perhaps the one to whom the barter is made).

This triad and the generational bargain can be broken through the shed blood of the Lord Jesus Christ and the declared free will of the person involved (Rev. 12:11).³ The following prayer is written for this purpose. It is given in two forms below. The first is conducive to a person reading through on his own behalf. The second is for using when a facilitator is leading someone else through it.

Part 1: Generational Repentance

Most High God, I desire to stand in the gap on behalf of my ancestral lines on my mother’s and my father’s side to acknowledge, renounce, and confess on their behalf the iniquities of participating in the Counterfeit Religious System of Satan, the bartering of the bodies and souls of future generations to Lucifer/Satan, or any other ungodly spiritual entity; and participating in any allocating of dissociated parts of persons to specific parts of Lucifer’s realm.

I am willing to forgive my ancestors for bringing these generational inheritances and their consequences into my life and put full responsibility for bringing justice to them into Your hands.

¹ I don’t have a clear understanding at this time concerning what occurs if he gains the right to take the person’s body unless these are the infants that are aborted for sacrifice.

² This information comes primarily through discernment and may be inaccurate or incomplete.

I am also willing to renounce and to repent of any way that any part of me has knowingly or unknowingly, willingly or unwillingly, participated in these iniquities myself.

I ask You, Most High God, through the shed blood of Jesus Christ to break this generational inheritance and its curses off of my life and the lives of my descendants going forward a thousand generations.

I ask You to remove from me all ungodly entities, powers, and life forms that gained access to me because of these generational inheritances and their curses, to pass judgment on them, to dispatch them to the destinations of your choosing, to fill the evacuated places with Your true Holy Spirit, and to seal with the blood of the Lord Jesus Christ all portals and orifices they used for access to me and my generational line.

As You remove these generational curses from me and my descendants, I ask that You please release any of Your generational blessings intended for us that were blocked because of these generational iniquities.⁴

Part 2: Personal Appeal to the Most High God

Most High God, I come to you in the name of the Lord Jesus Christ, my Savior, and I appeal to You that when generational bargains or barterers were made by my ancestors or step-relatives concerning my life, I had no say in them. However, I desire to declare to You at this time that I reject all bargains and barterers my parents, grandparents, or any other ancestors or step-relatives made with Lucifer/Satan or any other being serving under him concerning any part of my body, soul, spirit, or life force as well as any gambling concerning the allocation of my parts within Lucifer's kingdom. I ask You to redeem me from those bargains, barterers, and gambles through the blood of the Lord Jesus Christ. I declare that I accept and desire to follow fully the destiny that You designed and placed within me when You created me and released me into life.

I ask that if any bargained-away part of me was connected into a triad with the Beast or other cosmic being and a familial spirit that I or any part of me be immediately released from that triad, breaking it and sending the familial spirit to his final resting place according to Your will.

Most High God, I ask You in the name of the Lord Jesus Christ to disconnect me completely from the Beast or other cosmic being in the triad and to remove from me the entire hierarchy of evil spiritual beings connected to him or that gained access to me and my progeny because of these bargains, barterers, and gambles as well as all ungodly powers, forces, energies, lights, Nephilim spirits, animal spirits, elemental spirits, familial spirits, manipulated life forms, and/or manipulated molecular structures. I ask that You pass judgment on them, dispatch them to the destinations of Your choosing, fill the evacuated places with Your true Holy Spirit, and close and seal with the blood of Jesus Christ all portals and orifices that they used for entrance into me and my descendants.

I ask that any dissociated part of me or any part of my created-by-You life force that was taken into captivity in another dimension or realm or a void between them; whether it be in the underworld, the pit of hell, the abyss, the black hole, the place of utter darkness, or to any other part of Satan's counterfeit realms of darkness, light, and all the colors of the rainbow; because of these bargains, barterers, and/or gambles be returned to me safely and completely cleansed by the blood of Jesus Christ of all contamination and all attachments or inserts of any kind completely removed.

⁴ See the article entitled "Breaking Generational Inheritances," available as a free download from www.rcm-usa.org, for a more complete understanding of the biblical basis for this prayer.

When my part(s) are safely removed from these places, I ask that I be disconnected from all spiritual conduits connecting me to these realms. I renounce all allegiance to the counterfeit sun, moon, stars, and other spiritual authorities ruling over these realms and ask to be totally disconnected from the entire hierarchy of spiritual entities connected to them as well. I ask that You pass judgment on them, dispatch them to the destinations of Your choosing, fill the evacuated places with Your true Holy Spirit, and close and seal with the blood of Jesus Christ all portals and orifices that they used for entrance into me and my descendants. I ask that You close and seal with the blood of the Lord Jesus Christ the portals connecting me to the realms involved.

Most High God, I desire to break all ungodly relationship bonds with my ancestors and/or step-relatives who were involved in the generational bargaining, bartering, and/or gambling as well as with Lucifer/Satan, the Beast, or other cosmic being in the triad to which this connected me; any familial spirits; and any sacrifices made in conjunction with these events. I ask in the name of Jesus Christ that You sever these ungodly bonds and remove all evil entities that gained access to me through them from the lowest demonic level to the highest cosmic level, including all fallen sons of God; ungodly powers, forces, energies or lights; Nephilim spirits; animal spirits; elemental spirits; familial spirits; manipulated life forms, and manipulated molecular structures. I also ask that You remove any part of their souls, spirits, or life force that intermingled with mine and return to me, cleansed by the blood of Jesus Christ, any part of my soul, spirit, or life force that intermingled with theirs. When this exchange is complete, I ask that You completely sever the spiritual conduits between us and close and seal them with the blood of the Lord Jesus Christ.

Lord Jesus Christ, as my true Advocate, I ask that You would please step in and correct anything that I have stated inaccurately or incompletely and cover anything that I missed in order to set me completely free from all effects of any generational bargain, barter, or gamble made for any part of my body, soul, and/or life force.

Most High God, I ask that You please seal the work that You have done today and declare in Your heavenly court that there is to be no retribution or retaliation whatsoever for the transactions that were done. I thank You for Your power and love and grace and mercy that has set me free from this major bondage today.

In Jesus' name, Amen
