

## Restoring a Stolen Birthright

(December 26, 2016)

This is a preliminary procedure for restoring a stolen birthright. This may, in fact, occur in relationship with a generational bargain or barter,<sup>1</sup> but instead of trading part of the person's soul or life force, the person sells the birthright of future generations to Satan, for some form of gain. This may include the person's legitimate rights, privileges, position, and spiritual heritage within his/her family line. This may especially be done for the first-born in a family.

### Part 1: Generational Repentance

Most High God, I desire to stand in the gap on behalf of my ancestral lines on my mother's side and my father's side to acknowledge, renounce, and confess on their behalf the iniquities of:

- Selling the birthright of other people in one's generational line;
- Dishonoring, devaluing, and disrespecting a person's birthright and treating it as a commodity to be sold;
- Violating and disrupting God's ordained plan of succession for the family name and its ongoing heritage;
- Desiring and idolizing temporal gain as well as ungodly spiritual power and control regardless of the rights of others;
- Using deception and manipulation to get illegitimate rights, privileges, status, and inheritance;
- Dishonoring, violating, and transferring the status, rights, and inheritance of the firstborn;
- Deviating God's blessings from their intended recipients.

I am willing to forgive my ancestors for bringing these generational inheritances and their consequences into my life and put full responsibility for bringing justice to them into Your hands.

I am also willing to renounce and to repent of any way that any part of me has knowingly or unknowingly, willingly or unwillingly, participated in these iniquities myself.

I ask You, Most High God, through the shed blood of Jesus Christ, to break these generational inheritances and their curses off of my life and the lives of my descendants going forward a thousand generations.

I ask You to remove from me all evil entities, powers, and ungodly life forms that gained access to me because of these generational inheritances and their curses, to pass judgment on them, to dispatch them to the destinations of Your choosing, to fill the evacuated places in me with Your true Holy Spirit, and to seal with the blood of the Lord Jesus Christ all portals and orifices they used for access to me.

As You remove these generational curses from me and my descendants, I ask that You please release any of Your generational blessings intended for us that were blocked because of these generational iniquities.<sup>2</sup>

## **Part 2: Personal Appeal to the Most High God**

Most High God, I come to You in the name of the Lord Jesus Christ, my Savior, and I appeal to You that when my birthright was sold by my ancestors or step-relatives, I had no say in that decision that has greatly affected my life. However, I desire to declare to You at this time that I reject the selling of my birthright by my parents, grandparents, or any other ancestors or step-relatives to Lucifer/Satan or any other being serving under him. I ask You to nullify that sale through the shed blood of my Savior, the Lord Jesus Christ, and to return my legitimate birthright to me, including my family position and identity as well as my legitimate rights, privileges, heritage, inheritance, and everything else associated with it that was taken from me. Please return it to me cleansed by the blood of the Lord Jesus Christ with Your blessing on it.

I also ask You, Most High God, to cancel all benefit received by the seller of my birthright, and I commit to You the judgment of that person and the disposition of the sale price.

I reject all false identities and inheritances as well as all curses and ungodly blessings put upon me as a substitute birthright along with all illegitimate role expectations and lifestyle issues that may have come with it. I ask You to remove any substituted birthright or anything else of whatever nature that was bestowed upon me to replace my legitimate birthright and to disconnect me from any inappropriate generational line.

Please remove from me all effects on my soul, spirit, and body down to a cellular and DNA and RNA level that living with any substitute birthright or living without my legitimate birthright had on me. Please cleanse all of my epigenetic markers and restore the template of my being back to that which You originally ordained for me. I desire that you also restore to me all the days ordained for me in Your book written before the foundations of the earth as well as the good works and destiny that You planned for me.

I also ask You to destroy completely any legal documents pertaining to the sale of my birthright and to remove my name completely from any inappropriate registry. I ask that You re-establish the legal documents of my own ownership of my birthright as You intended.

I also ask in the name of the Lord Jesus Christ that You will break any ungodly triad formed with me and the buyer and seller of my birthright. If the seller continues to have a role in my life as a familial spirit, I ask that You break the triad between it, the cosmic being helping to sustain its ongoing life, and myself. I also ask You to break any ungodly triad formed with me, the person whose substitute birthright was given to me, and any cosmic being or ungodly creature. I ask that You disconnect me from the entire hierarchy of evil entities, powers, and ungodly creatures connected to any parts of these ungodly triads. I ask that You pass judgment on them, dispatch them to the destinations of Your choosing, fill the evacuated places in me with Your true Holy Spirit, and close and seal with the blood of the Lord Jesus Christ the portals and orifices they use for access to me.

I also desire to break all ungodly relationship bonds between me and the person whose substitute birthright I may have received and with the buyer and seller of my birthright as well as with any sacrifices that were associated with the act. Please remove from me everything that gained access to me through these bonds from the lowest demonic level to the highest cosmic level, including connection with all fallen sons of God; ungodly powers, forces, energies or lights; Nephilim spirits; animal spirits; hybrid spirits, elemental spirits; familial spirits; manipulated life forms; and manipulated molecular structures. I also ask that You remove any part of their souls, spirits, or life force that intermingled with mine and return to me, cleansed by the blood of Jesus Christ, any part of my soul, spirit, or life force that intermingled with theirs. When this exchange is complete, I ask that You completely sever the spiritual conduits between us and close and seal them with the blood of the Lord Jesus Christ.

Thank You for the work that You have done. I ask that You would seal this work and declare in Your heavenly court that there is to be no retribution or retaliation whatsoever.
