

Spirit of Death Renunciation

This renunciation is designed to be used in connection with prenatal healing for individuals with DID but can be adapted for situations outside of that context. It should be used whenever the developing fetus is exposed to anything that has to do with death, whether personally or by the mother or anyone within earshot of the fetus. You may adapt the questions to fit situations occurring after birth.

Ask the person:

1. Do you forgive your mother or any other person who considered ending your life in the womb?
2. Do you forgive your mother for her thoughts or attempts to end her life and yours along with it?
3. Do you renounce all death wishes and/or agreements or alignment with death that any part of you made?
4. Do you desire the Most High God to break and to nullify with the blood of the Lord Jesus Christ all covenants or agreements with death that were made for you by any of your ancestors?¹
5. Do you desire to break any triad² or quadriad that was formed as a result of such a covenant?
6. Are you willing to embrace the life that God gave you?
7. Do you desire to be completely disconnected from the Spirit of Death and all of its cohorts and underlings, including Abaddon, Mot, Hades, and Janus?
8. Do you renounce, and desire to be completely disconnected from, Thanatos, the Son of Death and any granting of life that he gave you?
9. Do you desire to break all connection to the Underworld and the gods of the Underworld?
10. Do you desire the Most High God to bring back to you any part of you that was taken by the Spirit of Death to the Underworld or any other place?
11. When all parts of you are returned, do you desire the Most High God to close all portals or access ways to the Underworld?
12. Do you desire to break all ungodly relationship bonds³ with:
 - a. Any ancestor involved in making death covenants that affected me;
 - b. The sacrifices that empowered them;
 - c. All participants in the covenant-making ceremony;
 - d. All members of any triads or quadriads formed as a result of them;
 - e. Anyone suggesting to abort me;
 - f. The Spirit of Death and the Son of Death, Thanatos;
 - g. Abaddon, Mot, Hades, and Janus;
 - h. Any entity that held any part of you in the underworld
 - i. Every person or entity with whom these were in ungodly relationship bonds.

¹ This would be predisposing them to abortion and sacrifice within the cult.

² This involves a spiritual connection between the person and the spirit of the ancestor making the covenant and a cosmic being.

Seal this work, nullify all curses for breaking these ties, and declare there is to be no retribution or retaliation.
