## **Special Note to Alumni of the Tom Hawkins Memorial Internship Program**

We have realized that having only two weeks to cover all the material needed to become proficient in utilizing the Primary Identity Approach, the RCM Prenatal Healing Process, and addressing the many ritual abuse dynamics required to bring healing to DID/RA survivors is insufficient. Therefore, we have greatly expanded the teachings of those two weeks in our new program. (See Subject Matter list for each week.)

We urge you to consider attending the complete 4 weeks of the expanded RDT training, especially if you desire certification, as we will cover more material, have more focused demonstrations, and offer the opportunity for you to participate in supervised practicums, demonstrating your ability to apply the principles learned. However, we will offer the option of advanced placement for some parts of the program, as delineated below, if you desire to take that route.

We are also offering you special reduced rates for attending any of the RDT weeks as follows:

- If you have attended a Basic Week of the Tom Hawkins Memorial Internship Program, you may attend RDT Weeks 1 and/or 2 at the alumni rate.
- If you have attended an Advanced Week of Tom Hawkins Memorial Internship Program, you may apply to attend RDT Weeks 3 and/or 4 at the alumni rate.

### **Requirements for Alumni Audit Only**

These are the same as those listed for non-alumni.

### **Requirements for Alumni Certification**

If you desire certification, you need to meet all of the requirements for each of the RDT Weeks. However, you have two options for doing this:

1. Attendance and completion of all certification requirements for all RTS Training Webinars and RDT Weeks (at the special alumni reduced rate) for each certification level;
2. Advanced placement to opt out of attending RTS Training Webinars and/or RDT Weeks 1 and/or 2 (advanced placement options are not available for RDT Weeks 3 and 4)

This will require passing all exams and practicums for any webinars or weeks not attended. You will have to pay for the exams and practicums as listed in the cost section. Opportunity will be provided during the year for doing the practicums either live or via Skype. Failure to pass the exams or practicums will require retaking them at additional cost.

- Material for RTS Training Webinar 1 exam comes from *Restoring the Shattered Training Series* Modules 1-3.
- Material for RTS Training Webinar 2 exam comes from *Restoring the Shattered Training Series* Module 4.
- Material for the RDT Week 1 exam comes from *Restoring the Shattered Training Series* Module 3.
- Material for the RDT Week 2 exam comes from the “Prenatal Healing Process” chapter in Module 4 of the *Restoring the Shattered Training Series*.

Advanced placement exams can be ordered on the alumni page.
