Order of the Eastern Star Renunciation Prayer

(September 2017)

This renunciation was taken and modified from the following website:

<http://deliverancehealing.us/renunciation-prayer-to-renounce-eastern-star/>. I personally believe that more is needed in this renunciation but I cannot devote myself to exploring that right now. If anyone has additional information, please send it to us.

Generational Repentance

Most High God, in the name of the Lord Jesus Christ, I stand in the gap on behalf of my generational lines on my mother's side and my father's side to acknowledge, renounce, and to confess on their behalf the iniquities of:

- Engaging in the ungodly activities of the Eastern Star, including all oaths taken, all curses issued, all rituals enacted, and all regalia worn;
- All engagement with the powers of the pentagram, the symbol of the Eastern Star;
- Kneeling before the altar of the Eastern Star and, knowingly or in ignorance, giving themselves to the gods of Freemasonry and to Typhon, the god of winter;
- Engaging in violent death and conspiracy;
- Everything done to extend spiritual bondage to future generations.

I put their judgment in Your hands, thus forgiving them for bringing these inheritances and their curses into my life. I also renounce and repent of any way that any part of me has, knowingly or unknowingly, willingly or unwillingly, engaged in these iniquities myself. I ask You to put the blood of the Lord Jesus Christ between these grievous iniquities in my generational line and myself so that they can no longer affect me and my generational line going forward. I ask that you put all curses that have come into my life and my generational line going forward under the blood of the Lord Jesus Christ and that You remove from me all evil and ungodly beings, powers, forces, energies, lights, life forces, familial spirits, and manipulated life forms that gained access to me through these generational iniquities and their curses. I ask that You pass judgment on them and send them to the destinations of your choosing, that You fill the evacuated places in me with Your true Holy Spirit, and that You close and seal with the blood of the Lord Jesus Christ all portals and orifices they used for access to me. If any of these generational curses has been blocking generational blessings from flowing into my life, I ask that You allow them now to flow freely into me. Thank You, Most High God.

Personal Repentance and Deliverance

I now ask You, Most High God, in the name of the Lord Jesus Christ and through the power of His shed blood to sever every cord that binds me or my family to Freemasonry through the Order of the Eastern Star and completely release me from all oaths taken, all curses issued, all rituals enacted, and all regalia worn by any of my ancestors as well as from all the ungodly powers and uses of the pentagram.

I renounce and reject the curse of mutual obligation and ask You to put it under the blood of the Lord Jesus Christ.

I renounce the oath binding myself to "...the most solemn secrecy respecting the work of the Order and to the performance (of its goals)" and ask You to nullify the power of this oath with the blood of the Lord Jesus Christ.

I renounce and reject any statement that "The obligation of our Order, voluntarily assumed, is perpetual, from the force of which there is no release" and ask You to declare that I and my family are thoroughly released from it through the power of the Blood of Jesus Christ.

I renounce and ask You, in the name of the Lord Jesus Christ, to break the power of the curse of false light, purity, and joy. I declare that "The Joy of the Lord is my strength" and the fruit of the Holy Spirit is mine.

I renounce Typhon, the god of winter, and all its effects.

I renounce violent death and conspiracy.

I renounce and ask You to break all ungodly relationship bonds (same as soul ties but I doubt that Typhon has a soul) with Typhon. I ask You to remove from me all evil and ungodly beings, powers, forces, energies, lights, life forces, and anything else that gained access to me through these ungodly bonds. I ask that you remove any part of his spirit that intermingled with mine and return to me, cleansed by the blood of the Lord Jesus Christ, any part of my soul, spirit, or life force that intermingled with his. When these exchanges are complete, I ask that you would completely sever the spiritual conduits between us, close them, and seal them with the blood of the Lord Jesus Christ.

I reject and ask You, Most High God, in the name of the Lord Jesus Christ, to put under His blood the curses regarding dismemberment, fracturing and shattering of health, life, relationships, personality, soul, finances, and every area of life.

[Note: I would think that there should be renunciations connected to each of the seasons as the various points of the star represent these. —DH]

In the Name of Jesus Christ the Nazarene, I call my body, mind, soul and spirit into alignment with the perfect plan and will of the Ancient of Days for my life.

I declare: Song of Solomon 2:11 "For Lo, the winter is past and the rains are over and gone; The flowers appear on the earth; the time of the singing of the birds is come

Amen!
