

Lewis Curse

This prayer of renunciation is for all first-born sons who have Freemasonry in their generational lines.

“In their search for enlightenment, the Freemasons climb up Jacob's ladder according to the degrees of Freemasonry, until at last they are enlightened when they get to the 31-33 degrees. It is at this stage that the Kundalini serpent has climbed through the 7 chakras on the spine - 31-33 vertebrae. According to the Freemasons, at this stage, they are changed into so-called gods. This in turn, causes the eldest son of the Freemason to be a son of god. He sits in the middle of the rainbow (which is the symbol of the covenant that God made with Noah) as the Messiah. If this so-called messiah does not take up his calling to be a Freemason, he comes automatically under the Lewis Curse: He will never be successful in his life - he will always be struggling with financial problems and will forever be a failure.”¹

Prayer for Release:

Most High God, I come to You in the name of the Lord Jesus Christ, and I acknowledge before You the sin of my previous generations, who believed that upon reaching the 33rd degree of Freemasonry, they became gods and thus looked at their first-born sons as “sons of god” and cursed those sons if they did not become Masons. I acknowledge that there is no God but You, Jehovah, the Most High God, and Jesus Christ is your only begotten Son. I renounce and confess to You the grievousness of this sin of my previous generations. I renounce in any way that I was given the designation of a “son of god” because of their erroneous belief.

I ask You through the shed blood of the Lord Jesus Christ to remove any curse that was put on any of my forefathers with the intention of being continued through their generational line because they did not become Masons and assume the designated role of “son of god.” I ask specifically that you remove this curse from me and from my first-born son and my first-born grandsons and that You not allow it to travel any further down my generational line.

I ask You by Your grace and mercy to restore to us all that has been stolen from us through this curse (Joel 2:25) and to turn this curse into a blessing instead. I receive from Your hand, Father, the generational blessings that You have intended for me and for my children and the generations coming from them.
