

RCM Basic Survivors' School of Healing

RECORDED Online Version

January 13—February 1, 2025

Purpose:

This school is designed to educate and guide survivors in achieving healing from the dissociative dynamics of DID using the Primary Identity Approach, which greatly shortens the process compared to the traditional alter-centered approach. Training will include teaching from Diane Hawkins, live ministry videos, and step-by-step personal application in a provided workbook. The school will be presented from a Christian perspective.

Logistics:

The recorded school consists of 21 hours of teaching, Q & A, and ministry videos and will be available 24/7 from January 13—February 1, allowing you the freedom to watch the recorded segments on your own schedule. You will receive:

- A link to the recordings for each segment of the school and a password for access.
- A separate link for a live Q & A webinar with Diane Hawkins on February 1 at 12:00 p.m. (noon) Eastern Standard Time. This will be sent on January 30th.

No new registrations will be accepted after January 13 in order to allow time for receipt of prerequisite materials and completion of the course. (Repeat attendees may request attendance at any time.)

For our liability concerns and the commitment we have made to the survivors whose live ministry demonstrations are shown, we request that you do not share the link to the school with any person other than your designated support person.

School Facilitator: Diane Hawkins, President of Restoration in Christ Ministries

Who May Attend:

- Trauma survivors: All trauma survivors can benefit from the school, but it is especially designed for those with some level of dissociation in their lives.
- Counselors and Prayer Ministers: DID healing facilitators desiring to know how to use the Primary Identity Approach for healing DID are welcome to attend with or without a survivor for educational purposes. This is one of the best ways to learn how to apply the process.

 - a. "Why Am I Not Getting Healed?" ([Available here](#))
 - b. "Experiencing More of God NOW" ([Available here](#))
2. Purchase and read the introduction to *A Survivor's Workbook: Applying the Primary Identity Approach to the Healing of DID*. ([Available here](#))
