A Survivor's Workbook

Applying the Primary Identity Approach
for the Healing of DID

3rd Edition, Revised

We believe that this is one of our most valuable resources in bringing healing to those with DID. It guides survivors through the Primary Identity Approach in step-by-step exercises to understand their systems and then to identify and resolve the intolerable psychological conflicts that keep their dissociation in place.

This workbook is taught by Diane Hawkins in our **Survivors' School of Healing**, which is offered online four times a year. The school is open to survivors, counselors, and support people.

An **Advanced Survivors' School of Healing** is also offered in two parts:

- Part A: In a group setting Diane gives individual help to survivors where they are stuck applying the Primary Identity Approach.
- Part B: Diane teaches the basic dynamics needed to understand the path to victory over ritual abuse.

The Primary Identity Approach *Simplified*

This DVD presents an abbreviated version of the Primary Identity Approach, which includes only the most important parts. It may help counselors and survivors be able to understand, remember, and apply it more readily.

Diane Hawkins (1 DVD)

The Primary Identity Approach *Demonstrated*

Diane conducts a live ministry session in which she talks to a survivor about her primary identities, takes an inventory of possible intolerable conflicts causing dissociation in her life, and then focuses in on resolving one of them, using the steps outlined in the Primary Identity Approach.

POWER: God's Vs. Satan's

Diane compares the power of Almighty God, represented in the Holy Trinity, with that of Satan's counterfeits.

The Power of the Free Will in Spiritual Warfare

Diane describes God's absolute respect of man's free will and its key role in applying the work of the Cross to set a person free from spiritual bondage as well as how God prioritizes the free will of conflicting persons and parts.

Spiritual Freedom Through Renunciations

Diane explains how renunciations provide "the word of our testimony," spoken of in Revelation 12:11, to overcome the enemy.

Ancestral Bondage

Diane explains the dynamics of generational inheritances and curses and various types of generational covenants and how to gain freedom from these bondages.

Beyond Normal Spiritual Warfare

For ritual abuse survivors and others in major spiritual bondage, one must be able to address more than just demons. Higher-level cosmic beings need to be handled differently as well as those with a human component, such as Nephilim, Rephaim, and familial spirits. This CD set looks at all of these and how to deal with them effectively.

Cosmic Hierarchy A New Understanding of the Angelic Realm by Tom Hawkins

In ministering to individuals held in bondage by the kingdom of darkness, Dr. Hawkins was awakened to the need to distinguish higher-level angelic entities (which he calls "cosmic beings") from demons. This led him to make an extensive re-examination of the biblical data on this subject, which he shares in this teaching series.

These are Tom's original, 83-pg Bible study notes accompanying his initial (2007) Cosmic Hierarchy CD set. He passed away two months after recording the updated DVDs and CDs and was unable to update the study notes.

Multiple Identities

Understanding and Supporting the Severely Abused

3rd Edition - 2009

Previously published as *Supporting Ritual Abuse Survivors*, this updated and expanded edition is designed to bring understanding and support to survivors of severe childhood abuse, especially those who suffer from Dissociative Identity Disorder (DID) as a result of sexual or ritual abuse.

Covering a wide range of topics, including trust, dissociation, memory, conflict, emotions, self-harm, and spiritual warfare, the book concludes with three appendices providing a glossary of terms, a list of types of alter-identities, and a Satanic calendar.

How Protected Are You?

This booklet is a separately printed version of Chapter 13 of *Multiple Identities*. It is an extensive Biblical study of the character traits represented by the various pieces of the spiritual armor described in Ephesians 6:11-17, which are critically important to be developed in order to provide protection in spiritual warfare. (43-Pgs)

Dissociation Identity Disorder

by Tom Hawkins

This volume contains an extensive, explanatory listing of the symptomatology of DID, an examination of mind-control programming with a suggested protocol for its resolution, a discussion on the reliability and healing of traumatic memory, and an introduction to Dr. Hawkins' concept of using "Primary Identity" dynamics to shorten the healing process.

Judgments & Bitterness

Dr. Karl and Charlotte Lehman have teamed up as a psychiatrist and a pastoral counselor to address these issues from an experiential and practical perspective. While the material is available on their website, we have received their permission to provide hard copies for those who prefer a booklet format.

Messages from My Super Special Daddy

Messages taken from Scripture and designed particularly for those who have had absent or abusive fathers; yet the poignant words and promises apply to all of God's children.

Our President

Diane W. Hawkins, M.A., current president of Restoration in Christ Ministries, graduated from Taylor University (B.A. 1969) and Wheaton Graduate School of Theology (M.A. 1973). Diane served as a missionary with The Evangelical Alliance Mission (TEAM) from 1971-1976 in Zimbabwe (then called Rhodesia). After marrying her late husband, Tom, in 1977, she served as a pastor's wife and women's Bible teacher for 17 years. Upon the founding of Restoration in Christ Ministries in 1994, she joined her husband in presenting seminars on DID across the country and abroad, courageously approaching this subject from the perspective of personal experience. She also authored three books, including *Multiple Identities: Understanding and Supporting the Severely Abused*. Since the home going of her husband, Tom, in December 2010, she has taken leadership of RCM as a healed survivor.

Our Founder

Tom R. Hawkins, Ph.D., was president of Restoration in Christ Ministries from 1994-2010. He was a graduate of Multnomah School of the Bible, Cascade College (B.A. 1965), and Dallas Theological Seminary (Th.M. 1969; Ph.D. 1995). He ministered as a pastor for twenty-five years. From 1990 until his death in 2010, he helped hundreds of sexual and ritual abuse survivors who had developed Dissociative Identity Disorder (DID) as a result. With a Ph.D. in Biblical Studies, he claimed no mental health credentials. However, from 1991 to 1993, he worked closely with mental health professionals in an inpatient, Dissociative Disorders Unit. His approach addressed both the psychological and spiritual dynamics occurring in DID and ritual abuse (RA).
