

Prayer to Separate Kundalini/the False Holy Spirit

(August 2025)

The New Testament Christian believer receives the Holy Spirit at salvation. At this time the Holy Spirit seals the person's eternal redemption and inheritance in heaven (Rom. 8:9; 2 Cor. 1:21-22). In order for the believer to be able to experience the Holy Spirit fully manifesting His power through him to do the works that Jesus did, and even greater works (John 14:12), and to preach the Word of God with life-changing power (Acts 2:14-41), he must surrender himself fully to the Holy Spirit, however. This further act of full surrender is referred to as being filled, or baptized, with the Holy Spirit (Eph. 5:18). This is what John foretold when he said that he baptized with water, but when Jesus came, He would baptize with the Holy Spirit and with fire (Matt. 3:11). This is what happened to Jesus' disciples at Pentecost when the Holy Spirit came upon them, manifesting itself in the form of tongues of fire, and transformed them into powerful proclaimers of the Kingdom of God (Acts 2).

Deuteronomy 4:24 states that God is a consuming fire. Somehow fire depicts the very essence of who God is. Therefore, when we are totally surrendered to, and filled with, the Holy Spirit, God extends some of the essence of who He is into us.

When I hear of the Kundalini Awakening, in which a person seems to receive a super charge of ungodly power, experiences significant manifestations in his body, and is even able to do supernatural things, this seems to be an attempt to replicate the filling or baptism of the Holy Spirit, using the power of Lucifer instead of the power of God's true Holy Spirit. Interestingly, Kundalini power is even called "serpent fire." Therefore, is it possible that Kundalini fire or Serpent fire represents the very essence of Lucifer Himself—just like the Holy Spirit represents the very essence of God?

Remember that Lucifer is a fallen son of God. In Scripture when someone is called the "son of" something or someone, it means that they are like whatever they are said to be the "son of." They are a lesser version of it. Therefore, Lucifer, as an angelic son of God, is in some ways "like God," certainly not in an equal way, but in the nature of his essence.

As God began to teach me about the powers of Lucifer's kingdom, He told me that the angelic sons of God "are" gold power, which is the same essence of who God is, and they "carry" black and white power.

From my understanding, the black and white powers represent the yin and yang forces that underlie chi energy. I believe that Satan imparted these in a dormant stage into the base of man's spine at the Fall when he gained dominion over mankind. This dormant chi energy is activated through various occult and New Age activities or Eastern Asian alternative medical practices and begins to flow through the meridians of the body, which Satan also imparted to man when he gained dominion over him. Man can then work that chi energy up the vertebrae of the spine, opening chakras as it does, until the crown chakra is opened, uniting the person with "the divine," which certainly isn't the divine Creator.

I believe that gold power represents the very essence of who God is, and the angelic sons of God are made of this same essence of who God is. However, when they fell, this gold power, representing their very essence, is no longer a good and holy thing, but is now under the dominion of evil. When a person receives the Kundalini Awakening—or the false holy spirit—he receives an influx of this now unholy gold power, representing the essence of Lucifer.

1 Corinthians 16:7 says that when we are saved, the Holy Spirit becomes one with our spirit. If this is true, with what part of man does this counterfeit power representing the essence of Lucifer unite?

I really hesitate to think that God would allow the false holy spirit, connected to Lucifer himself, to fuse with man's spirit because I believe that man's spirit is a very special part of his being that comes directly from God and will return to Him, according to Ecclesiastes 11:5. I believe that God highly protects the spirit since it is the unique part of man that He designed to connect us with Himself.

At this point I really don't know what Kundalini power, or the false holy spirit, unites with in a person. One possibility is that it fuses with the gold power in us. Because God made man in His own image, we carry some of the essence of God in us too, which is represented by the same gold power that is in both God and Lucifer. The Neshamah is considered to be what represents the breath of God in us and makes us unique from all other living beings or organisms. Perhaps this is the part that carries the image of God in us. If so, perhaps the gold power or unholy essence of Lucifer, represented by Kundalini fire or the false holy spirit, somehow fuses with our Neshamah or whatever is considered to be the essence of our own being. Again, *I would rather believe that God keeps it separate.*

Another possibility, which I would prefer, is that the Kundalini fire, or false holy spirit, unites with the chi energy in the person, activating it to a higher level, or with gold power that has been infused into us from another source.¹ I mention these possibilities as I will cover these bases in the prayer that I have written. I do believe that it fuses with something within the person, and this fusion is what may make it so difficult to get freedom from it.

If the false holy spirit, or Kundalini, is fused to part of a person's being, we have to ask God to use the Sword of the Spirit to separate it from whatever it is fused to or intermingled with, and that is something that is not done in any of the renunciations concerning Kundalini or the false holy spirit that I have in our collection. This might explain why people who have done all of these renunciations often claim that they are still not free.

Certainly God knows what the false holy spirit or Kundalini power unites with, and in the prayer that I have written I ask God to separate and remove these unholy substitutes for the Holy Spirit that Lucifer has tried to infuse into man from whatever that might be. God has said that nothing is impossible for Him, so if we are really sincere and ask Him to do this, I believe that He will do it.

Therefore, if you feel there is any chance that chi energy has been activated in you or that you have received the Kundalini Awakening or the false holy spirit, perhaps even as you sought the true Holy Spirit in a charismatic setting,² I invite you to participate in this prayer. If I am correct in these things that I have shared, I hope that it will bring a tremendous step of freedom for many of you that have sought freedom in this area but have not been able to attain it. If I am wrong, I don't think that the act of asking for this will hurt anything. God will not punish us for asking something

¹ This is possible through ancestral inheritance or ungodly activities in the occult realm.

² I do not see the charismatic movement as an ungodly movement at all, but I do believe that it has been infiltrated by the false holy spirit, and some within the movement have been deceived by that.

amiss. We just won't receive any benefit from it. However, I also ask Him to correct and modify the prayer in whatever way He feels is necessary.

Preliminary Instructions

1. Always pray the "Binding and Separating Prayer" before doing a renunciation prayer.
2. If the person is DID, make sure that the Original Self or one of the pain-buffering primary identities is forward to do the prayer.
3. Encourage the person to connect with God in a genuine way, thus engaging their spirit, in doing the prayer rather than just reading words.
4. In unstable DID survivors, ask Jesus, as the person's Advocate before the Father's throne, to intercede on his/her behalf and allow the correct primary identity to be unhindered in being able to express his/her own free will through the complete prayer.
5. If the spiritual battle gets intense and does not seem to be relenting, having the person doing the spiritual warfare make the following statement can be helpful: "I declare before God and the entire spiritual realm that I am willing to die for my faith in the one True Almighty God."³

This prayer is presented in two formats:

1. The first is written in a prayer format that can be prayed by the person doing the renunciation.
2. If this is not easy for the person to do, you may use the second format below it, which allows the facilitator to pray the prayer with pauses indicated for the person to give agreement. This agreement provides the indication of the person's own free will, or "the word of their testimony," which is necessary according to Revelation 12:11 to overcome Satan.

Direct Prayer

Ancient of Days, I come before You in the name of the Lord Jesus Christ. I honor You as my Divine Creator and as the One who orchestrated a plan to set me free from Satan's dominion and ALL of his works to usurp Your authority and to establish dominion within mankind. I thank You for sending Your Son, the Lord Jesus Christ, to shed His very own blood, pouring out His divine life force to destroy the power of Satan over me and set me free. I claim that freedom as I have accepted Him to be my personal Savior, and I claim Your promise that whom the Son sets free will be free indeed! Thank You for the eternal salvation that I have received through Him and the seal of Your Holy Spirit that You have given me as a down payment of the full inheritance that I will one day receive with You.

I confess to You that Satan, the great deceiver, caught me up in his deceptions and I have knowingly or unknowingly allowed chi energy to be activated in my body, and I may even have experienced the Kundalini Awakening—or the infusion of the false holy spirit—when I was seeking the power of Your true Holy Spirit in my life.

My eyes have now been opened to the truth, and this contamination of my body and soul with power and energy coming from Lucifer himself is abhorrent to me. I declare to You that I want the complete and total removal of chi energy and any additional enhancement of Kundalini power, or the false holy spirit, from my entire being, including any part of my body, my soul, and even

³According to Revelation 12:11, this is necessary to overcome the highest levels of evil spiritual beings, including Satan/Lucifer.

my spirit, my Neshamah, or the very essence of my being—if they were in any way involved—or from anything foreign infused into my body, such as chi energy or stolen gold power from another source.

I ask You to send the Angel of the Lord with the Sword of the Spirit, which is Your living Word that always accomplishes what You send it to do, to pierce to the dividing asunder of any part of my body, my soul, my spirit, my Neshamah, or the very essence of my being to which chi energy and/or Kundalini power or the false holy spirit or the very essence of Lucifer's being has been joined, fused, or intermingled. If it has been fused with anything ungodly that was imparted to me, such as chi energy or stolen gold power, I ask that You separate it from that too. Please separate and set me free from this ungodly power, energy, or essence of Lucifer that You never designed to be in me. If it displaced anything in me that needs to be returned to me, I ask You to do that now, cleansed by the blood of the Lord Jesus Christ.

I give You praise and honor and glory and thank You for your love and grace and mercy in setting me free through the blood of the Lamb and the word of my testimony and my commitment to be true to You to the end. I claim this freedom in the name of Jesus Christ, my Savior.

I also ask You to break all ungodly relationship bonds between me and this Kundalini power; the false holy spirit; Lucifer; Satan, the Serpent; Lucifera, the Queen of Heaven; Horus; and all with whom they are or were in ungodly relationship bonds. Please remove from me everything from the realm of darkness that gained access to me through these ungodly relationship bonds and every part of their essences that intermingled with mine and return to me cleansed by the blood of Jesus every part of my soul, spirit, or essence that intermingled with theirs, and when these exchanges are complete, please sever the spiritual conduits between us, and close them and seal them with the blood of the Lord Jesus Christ.

Please cleanse with the blood of the Lord Jesus Christ and Your living water the very essence of my being, my Neshamah, and every part of my spirit, soul, and body, down to a cellular and intracellular level; including my DNA, RNA, mitochondria, epigenetic markers, and the very image in which You made me; of all effects of that from which You have separated me today.

I also ask, Lord Jesus Christ, as my true Advocate before the Father, please correct anything that I have said inaccurately and cover anything that I have missed in order to free me completely from the activation of chi energy in my body and all effects of a Kundalini Awakening or connection with the false holy spirit that I have received.

Please also nullify with the blood of the Lord Jesus Christ all curses set to be released if I should do this, including any requiring my death.

Finally, Ancient of Days, I ask You to seal with the blood of the Lord Jesus Christ in all dimensions of time and space the work You have done, cancel all back-up plans, and declare that no undoing, retribution, or retaliation whatsoever is permitted.

Thank You for Your power, love, grace, and mercy that has freed me from this major bondage today. I pray this all in the name of the Lord Jesus Christ.
